A Word from Pastor Andy

Earlier this week, Governor Kemp shared the news that we are beginning the process of opening our state back up. This will be a slow and careful process and his office continues to lead and provide information for churches as well. As of now, we have no "set" date for starting our corporate services back up and continue in conversation with our Association, State Convention, and local church leaders to develop that schedule.

When we do open up, we will begin slowly with worship services only (no Sunday school, nursery or children's programs) and will practice safe, social distancing, and other practices to do everything we can to keep all of our attendees safe. Please understand these precautions and do everything you can to assist us.

Until then, we will continue to stream our services on Facebook and YouTube as well as produce DVD's for anyone who would like to watch the service. Please contact our church office by phone (706) 882-3482 or by email info@frbclagrange.org if you would like a copy of a service.

Please continue to pray for our church, community, state, country, and world during this time. Many countries are having a far worse time than us right now. Let's be faithful to pray.

God bless each of you and please call us if we can help you with anything or just have a conversation during this quarantine. As always, if the Lord brings someone to your mind, call and check on them, pray with them, or encourage them. We are the family of God!

Love & Blessings!

Pastor Andy

This Sunday's Message Notes

LIVE ALIVE, pt 2 - LIVE with FOCUS
Hebrews 12:1-2

1) FOCUS requires LOOKING BACK (Heb 12:1a)

Look back at the winners! The "great cloud of witnesses" is listed in Hebrews 11. They aren't watching what we are doing, their lives are a testimony to what GOD can do through us, just like them!

2) FOCUS requires LOOKING WITHIN (Heb 12:1b)

A champion competitor eliminates all extra weight and resistance. We must rid ourselves of the things that tangle us up and hold us back from running a good race all the way to the finish.

3) FOCUS requires LOOKING UP (Heb 12:2)

Jesus started all that is good within us and He will continue to work in us until the work is finished and we are with Him in Heaven. We must focus on His model and example as the way to live in obedience and run our race well.

Thank you for your continued faithfulness in giving to our church. Our faithfulness to God during difficult times is a blessing and a sign of spiritual health and strength.
