lend a HAND

One of the biggest and misunderstood problems in our country is mental health. It is hard for people to understand it because it deals with the mind and can't be seen. It includes everything from depression to anxiety to addiction. In order to help bring awareness and help to people in this situation, our church has partnered with Pathways and the Troup County Drug Court to attempt to raise \$420.00 to make it possible for people to take the GED and get their High School Diploma so they can have a chance at a new life. \$100 will pay for 25 GED pretests and the other \$320 will allow two people to take the complete GED test. Any amount will help change the lives of people who are trying to be able to live a normal life.

Mark your check or gift with the letters GED.

Thank you for your generous and caring gift!

Pastor Jerry

SPIRITUAL GROWTH

Where's Your Focus?

So many times in our world, the Enemy (the devil) gets us distracted by hi-jacking our focus. While we should be focused on things that are ETERNAL (the Kingdom of Heaven, the Gospel, Love & Christlikeness), he will tempt us to turn our attention on the things that are TEMPORAL (of this world, stuff, things that will pass away). It seems so normal and natural, but before you know it, we are saying and doing things that hurt and distract others from what is important.

Let's be careful to NOT BE DISTRACTED. We must be careful to always keep our focus on sharing the GOSPEL as we are going above everything else. It's what we were "saved" to do and it's what we as a church here at FRBC exist to do.

All that we are and all that we have ultimately belongs to the Lord so let's use all that we are for His Glory so that some might come to know the Lord! Blessings!

Bro. Andy
