## SPIRITUAL GROWTH

### God Is WITH US!

I heard a description of the creation of man by God this week that really spoke to my heart. He said, "The first thing Adam saw when he opened his eyes to life was the muddy face of the God that had just created him." While that probably takes a little liberty with the actual events, it speaks volumes to me about God taking an intimate involvement with our life.

The scripture says that He "knit us together in our mother's womb" and that we are "fearfully and wonderfully made." God delights in being **WITH** us. I hope that you have seen, through our study of Psalm 119, that God has a loving and merciful leaning toward you. He loves you and wants a personal relationship with you. That relationship is built as we spend time reading His love letter to us called the Bible.

The word IMMANENCE is used to describe God's direct and personal involvement with His creation. As crazy as things may seem right now, God hasn't left us or gone on vacation from the world. We are being tested right now, let's rise to the occasion and glorify Him in all that we say and do.
