Stay Safe

We want to remind you to do all that you can to keep yourself safe as well as keep others safe.

Keep a safe distance from those you don't live with.

Wear your mask as you move around.

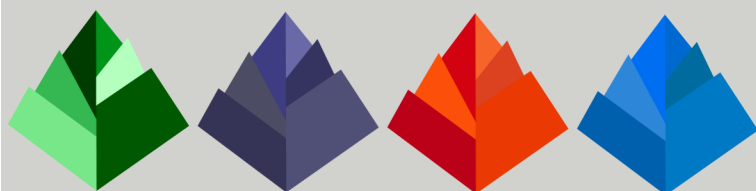

Don't hug – fist bump instead.

Sanitize your hands often.

We ask that you pray

SPIRITUAL GROWTH

Fellowship

"You aren't meant to be a Lone Ranger disciple."

Not only are we meant to be connected, we are healthier and stronger and can accomplish so much more when we work together! All the reasons people give for not being a part of the local church stem from pride rather than humility.

Today we're going to look into FELLOWSHIP. Think about it this way, "We are all "fellows" on the same "SHIP." If we don't learn to love each other, depend on each other, and support each other then our ship will never make it to the proper port the way it was intended.

Where you will serve? What will you support? How are you pulling your part of the rope? Let's grow in fellowship.
