LEND
LIVE

Dear FRBC Family,

Sometimes God surprises us. The things that have developed over the last few months have surprised me. The only plans I had were to see God continue to do great things here. But as the scripture tells us His plans are higher and greater than ours.

Monday evening the Executive Committee of our association voted unanimously to call me as the new **Associational Mission Strategist**. This means that after 14 wonderful years as your Pastor, I am officially submitting my resignation effective March 13, 2022.

The blessing for us in all of this is that FRBC will continue to be our home church and we will continue supporting God's work here with our presence, giving, and serving as much as possible. I believe in what we have been building here over the last 14 years and I pray that God will continue to make us strong through His Word and faithfulness in worship. Seasons change, plans change, and things change—but God never changes and His Word is true and faithful in every way.

We love you and look forward to serving & growing deeper and stronger with you for years to come.

Love and Blessings!

Why should we consider or experience the season of Lent?

Lent is not a biblical mandate but it is a practice that Christians have participated in dating back to the very early church. It is a 6-week season before Holy Week and Easter where, because of Christ's suffering for our sin, we choose to deny our flesh, serve others, and humbly prepare for the Greatest Day in History – RESURRECTION SUNDAY!

How do I get the most from the Lent Season?

Here are some of my practices and suggestions:

1. Make extra time to study the Gospels and spend time praying.
2. Find a way, place, or ministry to SERVE beyond my normal practices.
3. "Fast" (deny myself) something that I enjoy and replace it with prayer.
 - Each time I think of this thing, pray and thank Jesus for His sacrifice
 - Use the time to read scripture, pray, or serve.
4. Focus on Jesus' painful suffering and sacrificial death, that was a result of my sin. Allow the Holy Spirit to examine my heart deeper than ever.

How can this help me in my relationship with God?

This experience has helped me realize on a very small scale what Jesus went through because of my sin. It gives me a deeper love and appreciation for all that God has done for me IN CHRIST and my salvation. Finally, it helps me to experience greater JOY and CELEBRATION on Resurrection Sunday.
