

Think on These Things

"God's Word is true whether we believe it or not. Human unbelief cannot alter the character of God!"

A.W. Tozer

As I read these words, I thought, "What if we actually did believe God's promises to be true? What if we actually "put feet" to our belief?" I know most of us reading this would say that we believe God's Word to be true. In fact, many would be offended by anyone thinking otherwise. But how well are we acting upon our belief? I think that the Bible has many things to say about this, such as, "Faith without works is dead" and "You will know them by their fruits", just to name a couple. The point is that we don't see much because either we don't believe like we say we do or that we are praying and working with the wrong motivations.

Today I want to challenge you, as I have been challenged, to start believing and acting upon God's promises, fully expecting Him to fulfill His promises to His children. Start praying "big" prayers and expecting "big" answers! What if...?

Something to think about as we go about our week.

Love and blessings,

Trace
