Think on These Things

True or false? "The Lord helps those who help themselves." "The Lord will never put more on you than you can handle." "If you are living in the will of God, you will never be sick or poor."

I have heard these claims, as well as many similar claims, put forth as fact by teachers, preachers, and their followers alike. While these things may sound good, are they true? When asked to give "chapter and verse" to prove these assertions, the speakers cannot or they will try to twist verses into some fashion of "proof". In John 8:31-32, "...Jesus said to those Jews who believed Him, 'If you abide (live, dwell in, accept) in My word, you are My disciples indeed. And you shall know the truth, and the truth shall make you free.'" Friends, I cannot stress enough how vitally important it is for a follower of Christ to know what the Bible says, especially in these days. I hope and pray that you will make reading it and thinking upon it a part of your day. I promise that you won't regret it.

Just something to think about as we go through our week.

Love and blessings,

Trace
