

Advent Week 1: HOPE

Have you ever felt hopeless in your life? What was the situation that gave you that hopeless feeling? How did you handle that feeling?

Since the fall in the garden, God has looked down on a world full of hopelessness. Even in our modern age filled with so many advancements, we live in a world full of people with no hope. God had and still has an answer to the condition of hopelessness people are facing. That hope was born and lives in a little child born in a manger two thousand years ago. Just like today, He was born into a world controlled by sin and godlessness. He is a hope for our present situations. Christ gives us hope to face the challenges we face in our everyday life. It is an eternal hope. A hope of eternal joy and peace beyond our present lives. It is a hope that is secure forever in the person of Christ. Just remember, the hopelessness we experience in life cannot be erased by science, technology, possessions, drugs, government, or anything else, but in that little child in manger in Bethlehem. Just remember, as the old hymn says, "Our hope is built on nothing less than Jesus' blood and righteousness."
