Think on These Things

"For the past several years, FRBC has had the GPS arrow as our logo and 4 L's (Love, Lead, Lend, Live) to remind us of our commitment to God, one another, the church, and the lost in our community and world. These have served us very well, but I fear they have become so familiar to us that they no longer motivate us as they once did. Since being called as pastor here, I have been asking the Lord to give me His vision for our church; to keep what He would have us keep; to change what He would have us change, and the wisdom and discernment to know what He wants. As a result of much prayer, I believe He is leading us to change our logo (for lack of better word) to a compass rose and our guide words to Prayer, Praise, Personal, and Practical with Persevere being our watchword (word that expresses our commitment to God in the other 4 P's). We will Persevere in Prayer, in Praise, in our Personal relationships with God and others, and in the Practical application of His word in our daily lives. This change also indicates that as a church family we are embarking on a journey together to become the church that God intends for us to be. The journey promises challenges, difficulties, opportunities, and great rewards. My prayer is that you will make the commitment to the LORD to join this journey, to encourage others to do so, and to ask God to grow His church here in this community. May He receive all glory and honor for what He has done, is doing, and has yet to do at FRBC!

Something to think about as we go about our week in this new year.

Love and blessings,

Trace
