“...No Greater Love...”

In John 15:13, Jesus told His disciples: "Greater love has no one than this, than to lay down one's life for his (one's) friends." I think this verse perfectly describes a caregiver.

A caregiver demonstrates this verse in actuality because he/she is effectively putting his/her life on hold (laying his life down for another) in order to care for the life of another person. The other person's needs are allowed to overshadow the needs of the caregiver because the caregiver is there day in and day out in order to meet the ongoing needs and demands of his/her charge. These caregivers are truly servants in every sense of the word.

Unfortunately, tragically even, these unsung heroes are often overlooked and largely forgotten for the most part. Well, to you caregivers, God knows who you are, what you do, and what you sacrifice and He has not forgotten you. We here at Franklin Road Baptist Church (FRBC) also wish to say that you are not forgotten by us, either. We thank you for doing the thankless tasks and for your selfless service in the care of another. We are praying for you and hope that you will contact us if we can help you in other ways, too. We love you and are praying for strength, endurance, and the peace of God in your life. May He truly bless you as you pour out your life for another.

Love and blessings from me on behalf of your FRBC family,

Pastor Trace Lasher

Cancer Care Ministry Team

Before we open up this ministry to the community around us, we want to minister to the people in our own church family. If you have a person dealing with cancer that is a part of your family, or a neighbor, or a good friend, we would love for you to give us that person's name and contact information so we can minister to them first. You can give the information to Trace or myself, or contact Hannah at the church office.
