BAPTIST CHURCH

## *Think on These Things*

"For in fact the body is not one member but many." ICor12:14 When Paul wrote this to the church at Corinth, he was explaining that the Holy Spirit gives different gifts to each believing individual and that all of the individuals together compose the corporate body of Christ (the church). While Christ is the Head of the body, all believers come together to form the other parts, thus making the body complete. I say all of this to reiterate what Ashley shared last Sunday concerning Summer Camp and how everyone working together made it possible and God-honoring. I totally agree and add my heartfelt thanks to each and every person who had anything at all to do with the camp; from prayer warriors, to gift-givers, to Bible distributor, to volunteers before, during, and after camp, to parents, care givers, and everyone else involved:

THANK YOU!

This camp ranks up there as one the best camp experiences that I've ever had in all the years of my ministry. God was at work and His body pulled together as I've rarely ever seen anywhere in any place that we've served. I pray that this camp will only be the start of great things to come as we all work together to make Him known and to glorify His name. Thank you all again.

Something to think about as we go about our week.

Love and blessings,

Trace
